4<sup>th</sup> International Conference on  
**POLYMER SCIENCE**  
**AND ENGINEERING**

October 06-08, 2025

Houston, TX

## About the Conference

United Scientific Group a non-profit organization takes the honor to invite you to the Fourth International Conference on **Polymer Science and Engineering (Polymers-2025)** during **October 06-08, 2025** at **Houston, TX**, which will bring together world leading researchers in the field of Polymer Science and Engineering. It is a forum where business and academia intersect to spark development and showcase latest technological developments in Polymers Science and Engineering in different fields for global requirements. It is a three-day event which features academicians, business executives and Industrialists to showcase recent trends, strategies, and challenges of polymers Science and engineering Systems.

## About the Organizer

About the Organizer **USG-United Scientific Group** (A non-profit scientific organization) is an expert-driven initiative with a vision to:

- Identify and bridge gaps in knowledge by creating and implementing new scientific and technology-specific platforms, forums and products to discuss bottleneck issues and incorporate recent research advances.
- Publish and promulgate innovative research findings with an ethical and stringent review process to make a step to change in the fields of science and technology.
- Partner business and science for the translation of scientific discoveries and innovative ideas into implementable solutions and products which benefit mankind. The USG team is committed to work together to create network which delivers the best scientific solutions and contributes top services to the scientific community.

### Concept

The purpose of the Polymers-2025 Conference is to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered, and the solutions adopted in the polymer Science and Engineering.

### Agenda

The conference is a unique opportunity to present your latest research, hear to valuable intelligence and information. This is place where world leaders come to talk and listen.

### Networking

Unique networking opportunity across worldwide where the world's leading renewable CEOs, business heads, decision, and policy makers, choose to present their latest innovations.

## Scientific Sessions

- Polymer Technology
- Polymer engineering and processing
- Polymer Composites
- Polymer Materials
- Polymer Chemistry
- Polymer Science
- Polymer Physics
- Functional Polymers
- Polymer Rheology
- Food Science in Polymers
- Nano & Biopolymers
- Natural & Synthetic Polymers
- Optoelectronic Polymers
- Supramolecular Polymers
- Polymer 3D Printing
- Smart & Functional Polymers
- Peptides, Fibers & Colloids
- Polymers In Medicine & Biochemistry
- Synthesis & Characterization
- Advances & Applications
- Polymer Emulsions, Surfaces & Interfaces
- Polymer Waste & Recycling
- Advances in Polymer Synthesis
- Polymers and the environment
- Polymerization Kinetics
- Ceramics & Ceramic Composites

## Important Dates:

- Conference Dates: **October 06–08, 2025**
- Abstract Submission Opens: **October 21, 2024**
- Registrations Opens: **October 21, 2024**
- On–spot Registrations: **October 06, 2025**
- Registration Closes: **October 05, 2025**

## Special Features

- Panel discussions
- Interactive poster session
- Cross–disciplines
- Collaborations
- Mentoring from senior faculty
- Networking during customized social hours

## Registration

All participants, except non–attending co–authors, must pay the appropriate registration fee.

## Accommodation:

October 20–22, 2024 (3 Nights)	Single Occupancy	Double Occupancy
	\$620	\$720

To register online: [https://polymers.unitedscientificgroup.org/registration\\_form](https://polymers.unitedscientificgroup.org/registration_form)

## Registration includes:

- Welcome coffee
- Access to main conference sessions, exhibits, poster sessions and round table discussions
- Conference material
- Lunch, tea / coffee breaks during the conference days
- Wi–Fi in meeting rooms

## Sponsorship Guide

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (USG) organizes interdisciplinary International conferences to show case on cutting-edge basic and applied research outcomes within engineering, life sciences including chemistry and other diverse role of science and technology in society.

Polymers-2025 three-day conference will give attendees a chance to interact, learn, and engage with the business industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, and other necessary management for the scientific gathering.
